### **St Agnes' Ravens Spirit Inspires a Generous Donation**

St. Agnes Hospital, a valued community employer partner with Caroline Center, recently sponsored a Ravens Basket Raffle fundraiser in support of the Caroline Center educational program. St. Agnes Hospital currently employees several Caroline Center alumnae, and the hospital works closely with Caroline Center throughout the year to fill openings for certified nursing assistants at the hospital with Caroline Center graduates who have excelled in the program. The St. Agnes Ravens Basket Raffle garnered a most generous \$1,354 for Caroline Center. Thank you, St. Agnes Hospital, for your creative and fun-loving spirit and for your generosity and caring!
